- Improve your short game skills
- Baker's Dozen: Buy 12 Kits and receive the 13<sup>th</sup> free

The ParKit Short Game Training Kit is a compilation of 12 individual multi-purpose golf practice drills in the form of games that everyone will love to play. These great games will have golfers of all ages and abilities find themselves having fun and spending more time on and around the putting green, wanting to practice. Designed with the individual golfer in mind, these games supply the personal challenge and motivation needed to hone the critical skills involved in putting, chipping, pitching and bunker shots. However, most of the games can also provide excellent competition for two or more players. Since the games are not age-specific, they are perfect for a parent and child, coach and student, or any two players.
